

# ARE YOU BEEPING?

**KNOW BEFORE YOU GO...  
INTO THE BACKCOUNTRY!**

**1**

**AVALANCHE HOTLINE - CALL NOW!**

**1-888-999-4019** [www.avalanche.org](http://www.avalanche.org)

This project brought to you in partnership with  
  

**2**

**BEACONS / SHOVELS / PROBES?**

This gear could save your life!

**3**

**THINK ABOUT THE CONSEQUENCES!**

What will happen if it slides? One at a time!  
Get out of the way at the bottom!

There is no avalanche control or ski patrol services beyond this point. You are responsible for your own rescue!

## RED FLAGS FOR UNSTABLE SNOW

- ✓ Recent Avalanches
- ✓ Heavy Snowfall
- ✓ Strong Winds
- ✓ Shooting Cracks
- ✓ Whoomping Noises
- ✓ Rapid Warming
